MN State NASP Board of Directors Meeting -

June 22, 2026

- Tournament Coordinator/Director
 - *Finalize Job description and responsibilities*
 - Tabled until July 2026 meeting
- BAIT Training updates Benji - NOTE this is carried over from last meeting.
 - *BAIT training - we need trainers throughout the state, not just in a few regions*
 - *BAI training needs to happen more often, it is really tough for new teams or schools to get people certified if they can't get trained in a timely manner.*
 - *Benji will connect with some Board members about working on this.*
 - *Need trainers to publish their classes.*
 - BAIT trainers will get together sometime to go over how many more are needed and where they are needed
 - Build an awareness that the classes are happening
 - Use TeamReach to notify when classes are available
- Regional boundary realignment review question.
 - *Need to look at the older maps, etc*
 - *Will stay on the agenda for next meeting*
 - Distinguish between schools who have BAI and grants vs Tournament/competition teams
 - Distribution should be based on populations especially if we are moving towards Regional qualifications
- Election results review
 - We need to look at a different way for voting, it is not anonymous and probably should be. Mail in ballots for head coaches?
 - How does the Board want to announce the results?
 - Constant Contact - Amber suggested to have the Board Secretary send out the information
 - Send out information to the new Board Members too (when next meeting is, etc)

New Business

- MN NASP social media page
 - Michelle shared a message from a parent on the lack of MN archer representation from nationals.
 - Who has access currently to our Facebook page?
 - Look into appointing someone to run this, work on getting more social media presence.
 - We do have a Minnesota Coaches group, but not very active
- Mason Chambers needs a right handed bow from State
 - Amber does have it, will need to mail it to him
- MN State tournament venue 2031
 - Amber provide update
 - Rochester is looking to connect with the Board about this
 - Might need to look into a different format for Tournaments (3D and Bullseye on separate weekends, different venues in the Twin Cities, longer tournament weekend)
- Thank you to our Board Members leaving for their years of service and dedication to MN NASP
- Carly Larson is having trouble getting through the grant process - just letting the Board know. If you hear of other issues, talk to Benji. It is now going through NASP (not the state) so deadlines have changed, etc. After the conference Benji will let everyone know when the deadlines will be.
- Report your hours - send out a TeamReach reminder? The more messages, the better
